Kenosha outpatient clinic hosts open house, flu shot clinic on Oct. 31.

NORTH CHICAGO, Ill. – The Kenosha outpatient clinic of the Captain James A. Lovell Federal Health Care Center will host an open house on Friday, Oct. 31 from 10 a.m. to 1 p.m.

The Kenosha community based outpatient clinic serves area Veterans at 8207 22nd Avenue, Suite 150. The clinic offers comprehensive primary care, mental health, social work, and women's health services. The clinic also offers a wide-range of telehealth services, which connects patients in the Kenosha clinic with their providers at the main North Chicago hospital using clinical video teleconferencing services.

At the open house, Veterans can tour clinical areas, speak with providers, and learn more about their eligibility for health benefits. Eligible veterans can also receive their flu shot.
