North Chicago, Illinois 60064**

Dear Applicant:

In Reply Refer To: 556/7-C/D

Enclosed you will find our admission packet which includes:

1. An Application to the Stress Disorder Treatment Unit, North Chicago Division;
2. An Application for Health Benefits (10-10EZ);
3. A description of therapies used on the Stress Disorder Treatment Unit;
4. A Request Pertaining to Military Records; and
5. A copy of our currently prescribed medications.

Please complete pages 1 thru 4 of the Application to the Stress Disorder Treatment Unit. Your referring provider should complete page 5.

Please complete the Application for Health Benefits (10-10EZ).

Please review the description of therapies used on the Stress Disorder Treatment Unit and share them with your referring provider.

Please complete a Request Pertaining to Military Records. You will complete all of Section I. Under Section III, complete numbers 1 and 3.

When completed, please send the Application to the Stress Disorder Treatment Unit, the Application for Health Benefits (10-10EZ), the Request Pertaining to Military Records plus a copy of your DD214 by fax to (224) 610-3824. By certified mail, send to:

Captain James A. Lovell
Federal Health Care Center (556/7-C/D)
Stress Disorder Treatment Unit
Attn: Benita Perez
3001 Green Bay Road
North Chicago, IL 60064

Upon receipt, I will call with a telephone screening date and time when a member of our staff will call you to discuss your admission to our unit. If you prefer to have an in-person screening, please note that on the application form on page 1.

If you are on a medication from a private doctor that is not in our VA formulary, please be advised that it can be substituted for another medication that is in the VA formulary. NOTE: Celebrex (celecoxib) and Vioxx (Rofecoxib) are not in our formulary.

If you have any questions, please contact me at (224) 610-3312. Thank you for your interest in our program. We look forward to serving your needs.

Sincerely,

Benita Perez, Program Assistant, Stress Disorder Treatment Unit
